

OFFICE OF THE TRANSPORT COMMISSIONER –CUM- CHAIRMAN,
STATE TRANSPORT AUTHORITY, ODISHA, CUTTACK.

No.LX-190/2020- 8665 /TC

Date 09-10-20

To

All Regional Transport Officers.

Sub:- Inspection of off road vehicles.

Sir,

Instruction was issued vide Circular No.40/1991 (copy enclosed) that inspection of off road vehicles will be made by RTO and other officers in every month. For this purpose a region will be divided into zones and an OMVD officer will be assigned to a particular zone so that no off road vehicle will be left out without checking. Rotation of zones between OMVD officers will be made in every month so that one officer will not remain in-charge of a particular zone for longer period.

Presently off road data of transport vehicles available in VAHAN – 4 portal which can be accessed online by the OMVD officer for the purpose of checking status of the vehicle which is under off road. Checking of off road vehicles in every month is required to prevent plying of such vehicles clandestinely during off road period to evade tax causing loss of revenue to State exchequer.

You are therefore, requested to ensure that all OMVD officers not below the rank of Asst. Sub-Inspector, Traffic, shall invariably check off road vehicles every month so as to cover entire list of such vehicles and report violation, if any, for charging tax under Section 10 (3) of OMVT Act, 1975 and for other offences. For this purpose the Regional Transport Officer will divide region into zones and allot each officer to a zone on rotation basis in every month.

The results of off road checking should be submitted to STA in every month by 5th of succeeding month in the format given below.

FORMAT

Name of Regional Transport Office:
