Sir,

In inviting a reference to the aforesaid subject, it is to inform you that Govt. in Commerce & Transport Department has amended the EV Policy -2021 vide Notification No. 4709/T dtd. 26.04.2023 and also issued Corrigendum Notification No. 4995/T dtd. 03.05.2023. The copies of Notification and letter as mentioned under reference are enclosed herewith.

As per the corrigendum issued by the Government vide Notification under reference, the electric vehicle purchased on or after 26.04.2023 are entitled to avail subsidy as per amended slab and electric vehicle purchased on or after 01.09.2021 but before 26.04.2023 are entitled to avail subsidy as per pre-amended provision.

Further it has also been clarified by Government that the electric vehicle purchased by any Government Departments / offices shall not be entitled for subsidy under Odisha EV Policy-2021.

In the amended provision of Odisha EV Policy it has been prescribed to grant subsidy in respect of 2 Wheeler & 4 Wheeler on the basis of battery capacity. As per the CMVR, the Vahan Software does not capture the battery capacity in vehicle detail and this information is also not available in Homologation Portal developed by NIC. In order to capture the battery capacity, the manufacturer of all 2 wheeler & 4 wheeler electric vehicles are required to upload the battery capacity in Odisha EV Subsidy Portal by registering their EV model. A step by step procedure prepared by NIC is enclosed herewith.

The RTOs are requested to intimate the respective electric vehicle manufacturer through the electric vehicle dealer under their jurisdiction for registration of their electric vehicle model for grant of subsidy to purchaser.

The above instruction should be strictly followed.

Yours faithfully

Transport Commissioner,
Odisha.

Sub :- User related incentives on purchase of EVs

Sir,

In inviting a reference to the Odisha Electric Vehicle Policy, 2021 issued vide this Department Resolution No. 7645/T dt. 01.09.2021 published in the Extraordinary Gazette No.1358 dt. 02.09.2021, I am directed to say that under para-4 of the aforesaid Resolution, it has been mandated to provide incentives on purchase of Electric Vehicles for its large scale adoption by public and the very objective of the Policy is to promote use of EVs among public as stipulated under para-2(1) of the said Policy.

A question has arose as to whether such incentives will be provided to Government Departments/Offices.

Since, providing of such incentives will just transfer of amount from one head of account to another, it is therefore clarified that such incentives are not meant for any vehicles purchased by Government Departments/ Offices.

Yours faithfully,
