AMA SuVahak

(Atmanirbhar MAhila SuVahak)

Driving Confidence. Powering Independence. Shaping Safer Roads.

A New Journey Begins

- of Odisha to redefine women's role in mobility
- Launched during the State-level Road Safety Month, symbolising a renewed commitment to safer roads and inclusive growth
- Empowering women to become trained drivers, proud entrepreneurs, and agents of road safety
- Building a future where mobility is safe, dignified, and women-led

Why AMA SuVahak Matters

- Because every safe journey begins with a responsible driver
- Because women bring care, discipline, and responsibility to the road
- Because economic independence creates stronger families and safer communities
- Because road safety is not just regulation—it is a shared responsibility

Empowerment at the Wheel

- Interest-free financial support up to ₹10 lakh to own and operate a taxi
- World-class, zero-cost training at Institutes of Driving Training & Research
- Skills in safe driving, customer care, and vehicle upkeep
- A pathway to self-reliance, respect, and steady income

Driving the Green Future

- Special incentives for electric taxis under Odisha's EV Policy
- Road tax and registration fee waiver for EV vehicles
- Women at the forefront of Odisha's clean and sustainable mobility revolution
