

OFFICE OF THE TRANSPORT COMMISSIONER-CUM-CHAIRMAN  
STATE TRANSPORT AUTHORITY, ODISHA, CUTTACK

Letter No. 11430 / TC Dt. 05.10.2018  
LX - 209 / 18

To

All Regional Transport Officers

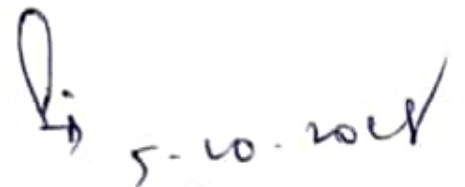

Sub:- Further clarification on revision of safe axle weight of Heavy Goods vehicles/ Heavy Passenger Vehicles.

Ref:- Circular No. 5/TC/2018 circulated vide letter no.11194 dated 24.09.2018

Sir,

It has come to the notice of the undersigned that, it is being insisted for physical production of newly registered vehicles for inspection by MVI before revising the safe axle weight. As such vehicles having 02 yrs validity of Fitness Certificate may not require re-inspection by MVI for revision of safe axle weight. Hence it is here by instructed that in case of newly registered vehicles having 02 years validity of Fitness Certificate the production of vehicles for inspection by MVI should not be insisted upon. But on application, necessary revision of GVW shall be allowed on the basis of axle disposition as mentioned in Registration Certificate or Vahan data base.

Yours faithfully,

Transport Commissioner  
STA, Odisha, Cuttack.
