

OFFICE OF THE TRANSPORT COMMISSIONER-CUM-CHAIRMAN  
STATE TRANSPORT AUTHORITY, ODISHA. CUTTACK.

No. LX-67/22/15766.../TC/Tech

Dated: 15-11-2022

To

All M2M & Telecom Service Providers

Sub: Provision of updated M2M APIs for checking of eSIM validity

Sir,

M/s BSNL (Bharat Sanchar Nigam Limited) has been selected as the implementation agency for development, deployment and management of statewide vehicle location tracking backend application (Vahan Suraksha) as per AIS-140 standard including the Command-and-Control Centre for State of Odisha. Further, State Transport Authority, Govt. of Odisha already signed the MOU on dated 20.10.2022 and issued the Work order in favour of M/S BSNL vide this office order under reference for the same.

To successfully roll out of the project, it is essential that all M2M service providers / telecom operators of the eSIMs installed in the AIS-140 VLTD (vehicle location tracking devices) are integrated with the state backend system for eSIM validity & verification. Only those eSIMs service providers / operators who are integrated with the State backend system will be able to function in the State.

In view of the above, you are requested to share your updated M2M APIs along with access credentials for eSIM validity checking, verification and other operations required for AIS-140 vehicle location tracking at the earliest with designated SPOC including Name, Designation, Mob. Number, Location, address etc. for further communication and smooth integration with State backend application.

Yours faithfully

Joint Commissioner Transport (Tech.)  
STA, Odisha, Cuttack.
