STATE TRANSPORT AUTHORITY, ODISHA, CUTTACK**

**CIRCULAR NO. 5 OF 2019**

Sub:- Registration of Tractor and Trailers and payment of tax.

Proviso to sub-section (6) of section 41 of M.V. Act, 1988 read with Rule 42 of CMV Rules, 1989 provides that no holder of a Trade Certificate shall deliver a motor vehicle to a purchaser without registration, whether temporary or permanent. The dealer should ensure that permanent registration number is displayed on the motor vehicle before it is delivered to the purchaser in the manner prescribed under Rule 51 of CMV Rules, 1989 and notification issued by the MORTH for affixation of HSRP number plate.

It is noticed that online registration and payment of tax in respect of tractor and trailers could not be made at a time as trailers are locally manufactured and homologation facility is not available for the same. In this regard representatives of tractor manufacturers have put forth their grievance and requested to allow the dealers to register tractors online in VAHAN – 4 application.

Considering difficulties faced by the tractor manufacturers and dealers, it is decided that facility of online registration, payment of tax and fee will be provided to the tractor dealer by all Registering Authorities across the State.

Tractors are coming under one time tax regime and homologation of tractors has been made available by tractor manufacturers.

Following procedure shall be followed for registration of new tractors:-

- (i) RTOs will create the user credentials in Vahan 4 for Tractor Dealers (If already created for HSRP entry then only form 20 entry role to be added to it.)
- (ii) The tractor dealers having trade certificate from any RTO of Odisha may apply online for registration to any RTO within the State and pay fee and taxes online using Vahan 4 credentials.
- (iii) Sale Certificate of trailer along with other required documents may be submitted along with sale letter of tractor, wherever available. Otherwise

sale letter and other documents submitted by the tractor dealer except sale letter of trailer can be accepted by RTO for the purpose of registration and allotment of registration number for the tractor only. In such cases sale letter of trailer and other documents with tax and fee need to be submitted in RTO office for attachment with the tractor already registered in the name of same owner.

- (iv) One time tax of trailer is to be calculated and realised as balance one time tax against tractor in which the trailer is to be attached taking into account unladen weight of tractor and laden weight of trailer taken together which does not exceed 9500 kgs. Fixation and detail entry of HSRP of trailer is to be done as per previous procedure.
- (v) Tractor Dealers should apply for new registration of tractors with payment of fees and tax online through Vahan 4.
- (vi) After registration of tractor, the dealer will deliver the vehicle only after allotment of registration number by affixing HSRP number plate and make entry in this regard in Vahan – 4.

It is instructed that above procedure may be followed by all Registering Authorities.
