

E-CHALLAN

- ☑ e-Challan is a sophisticated software application comprising Android based mobile app and web interface, developed for the purpose of providing an comprehensive solution for Transport Enforcement Officers and Traffic Policemen. This application is integrated with Vahan and Sarathi applications and provides a number of user-friendly features while covering all major functionalities of Traffic Enforcement System.
- ☑ This is an end to end automated system with digital interface for all the stakeholders in purview of challan eco-system. The application offers customized interfaces for the following stakeholders:
 - ❖ Enforcement officers
 - ❖ Citizens (private or commercial car owners/drivers)
 - ❖ State transport office
 - ❖ Regional transport/Traffic office
 - ❖ NIC admin
 - ❖ Ministry of Road and Transport
- ☑ The application introduces a novel concept of using mobile based app for issuing eChallan. The mobile based access to the system is available only to enforcement officers through android smart phones. While the web based access is available to all the rest of the stakeholders, mobile based access ensures the services are available anytime anywhere. This application is built in line with the requirements of Vahan 4 and Sarathi 4 and shall be accessing and updating data from/to national databases.
- ☑ Connecting all the stakeholders through a common system will ensure data integrity, reliability and transparency.
- ☑ Although this is primarily a departmental app/ application (from Transport and Traffic Police), however, concerned citizen can make challan payments through Online Payment, PoS based payment – both on-spot and through portal.
- ☑ The citizens can pay online going through the link:
 1. <https://echallan.parivahan.gov.in/>
 2. Get challan details (challan number wise/ vehicle number wise/ Driving License wise)
 3. Make Payment
